Robert E. Worden, Ph.D.
Director

Sarah J. McLean, Ph.D.
Associate Director

April 13, 2010

The Finn Institute is currently seeking to fill a full-time crime analyst associate position. The associate will work on-site in the Onondaga Crime Analysis Center in Syracuse, NY.

Minimum Qualifications:

- A bachelor's degree in criminal justice, criminology, or a social science field plus 0 -1 year experience in the field of criminology, criminal justice research, or criminal justice policy.

Skills Prerequisites:

- Strong written and verbal communication skills are essential.
- Knowledge of the criminal justice process.
- Experience with databases, spreadsheets, statistical computing and/or geographic information systems is a plus.

Job Responsibilities:

- Performs a variety of research and analytical tasks under direct supervision.
- Collects, compiles, validates, and disseminates data and analytic results using standard practices and techniques of crime and/or law enforcement intelligence analysis.
- Provides administrative support for crime intelligence analysis.
- May perform statistical, spatial, and/or qualitative analyses as needed, making use of standard software packages.

Compensation:

- Up to \$30,000, commensurate with education and experience.
- Employer-subsidized health insurance, dental insurance, and life insurance.
- Retirement plan [401(k)].
- Nine (9) paid holidays plus seventeen (17) leave days annually.

Interested parties should send a letter of interest and an up-to-date resume to Dr. Sarah J. McLean; materials may be sent via e-mail to contact@finninstitute.org, or via snail-mail to 423 New Karner Road, Suite 5, Albany, NY 12205. Review of applications will begin May 3, and the position will remain open until filled. Questions may be directed to contact@finninstitute.org.
