

Crime Analyst: Syracuse, NY

June 2022

The Finn Institute is currently seeking to fill a full-time crime analyst position. The analyst will work on-site at the Central New York Crime Analysis Center in Syracuse, NY. The Center is staffed with a team of crime analysts and sworn law enforcement members who support area law enforcement agencies in their efforts to track and reduce Part I Crime.

Duties:

- Perform a variety of research and analytical tasks.
- Collect, compile, validate, interpret and analyze data and trends using standard practices and techniques of crime and/or law enforcement intelligence analysis.
- May perform statistical, spatial, and/or qualitative analyses as needed, making use of standard software packages.
- Work on assignments that are moderately complex under direct or indirect supervision, where there is latitude for independent action and decision-making.
- Prepare and deliver reports and presentations of analytic results and may be subpoenaed to testify in court proceedings.
- In the furtherance of delivery of Real-Time Crime Services, may provide crime analysis and criminal intelligence support to law enforcement as they respond to, investigate, and otherwise address criminal activity.
- Any other relevant duties as assigned by supervisor.
- Flexibility to work evening/weekend shifts will be required.

Prerequisites:

- Strong written and verbal communication skills are essential. Communication with all police ranks as well as local, state and federal agencies may be necessary.
- Knowledge of the criminal justice process.
- Understanding of basic social science research methods: concepts and techniques of measurement and analysis, and interpretation of results.
- Experience with databases, spreadsheets, statistical computing and/or geographic information systems is desired.

Minimum Qualifications:

- A Bachelor's degree from an accredited college or university in criminal justice, criminology, public administration, or a related field plus 0-1 year experience in the field of criminology, criminal justice research, or criminal justice policy.

Compensation:

- Starting salary \$45,778.
- Employer-subsidized health insurance in compliance with the Affordable Care Act, dental insurance, and life insurance.
- Retirement plan [401(k)].
- Twelve (12) paid holidays plus seventeen (17) leave days annually.

Interested parties should send a letter of interest and an up-to-date resume to Madison Bryant; materials may be sent via e-mail to contact@finninstitute.org. Review of applications will begin immediately and the position will remain open until filled. Questions may be directed to contact@finninstitute.org.
